

Cromane Community Council.

In Summer 2017, Cromane Community Council embarked on an ambitious 5-year Socio-Economic Development Plan. Paul O Raw came on board as our facilitator to the project. What can we say about Paul! His professionalism, kindness and genuine interest in the community of Cromane and the success of the Plan was always at the fore. As a facilitator he is second to none and has not only facilitated the plan to final launch in May 2018 but has taught us how to better engage with our own community to encourage community participation.

Tracey Teahan, Secretary, Cromane Community Council
