

KILLORGLIN FAMILY RESOURCE – CHILDCARE TEAM DEVELOPMENT
WORKSHOPS

Excellent

I found the workshop very insightful.

Good to spend time with the team and Paul facilitated it extremely well, getting each person to contribute,

...it gave us the platform to work out what we needed and a space to allow us to air our concerns,

The relaxed way the workshop was facilitated, no time pressures.

Thanks for the space and loved the Lego serious play!!

Paul is a terrific host; he gets the team working together and thinking not only as individuals but as a group also. He helped the team become more aware of the personal as well as professional issues we face or may face and how to be sensitive to each other's needs without digging into anybody's private life.

Paul opened up the dialogue for the team about finding ways to stay connected and continue our great working relationship.

It was great thanks paul.
